Making Travel Fun for Everyone

A tablet is a lifesaver when it comes to keeping kids entertained in the car. But you don't want to worry about it rolling around when you are driving. Our mount makes it easy to securely attach a tablet in a comfortable viewing position to the back of a headrest.

A Tablet Holder That fits All Tablet Brands

The stylishly designed Vogel's tablet holder fits all tablets from 7-13 inches with a thickness of 0.2-0.5 inches (0.5-1.3 cm). The Tablet Car Pack comes with everything you need, including a tablet holder and a car headrest mount.

No Tools Required to Install

With the TMS 1020 Tablet Car Mount, you can quickly turn the back of your car into a mobile entertainment system. No tools are needed to install the tablet mount. Simply clip it to your tablet and snap it securely to the mount on the headrest. Your kids can enjoy their favourite games, movies and apps - plus you don't need to worry about the tablet falling on the floor.
